Spring List, 1957

Dear Brother Florist:

Again it is our pleasure to mail you our latest wholesale list of the finest Bulbs and Plants grown.

We start digging plants as soon as weather opens up here, we are still having winter here but expect to start digging April 1 next.

Plants will be very scarce as many sections are flooded out and winter killed so we advise placing orders without delay if you wish to get any plants this Spring.

We do not charge for boxes or packing.

On Parcel Post shipments add sufficient postage or we will bill you for balance.

Our terms are always cash or C. O. D.

Yours for more business,
